

Young People Who Care Weekend or Week Long Service Trip
 Teens to Adults, Families or Individuals
ypwcyouthprogram.com

Young People Who Care, Bethany Youth Center offers a service program for teens (16 and older) to adults. This program gives participants the opportunity to minister to the poor. The week or weekend includes service, community, prayer and simplicity. The participants are engaged in a variety of ministries throughout their service time.

During a week long experience, volunteers have the opportunity to work with different people on a variety of jobs. Participants are directly involved with the daily activities of meal preparation, choice of recreation and planning evening reflection.
